Players assume the role of the deadly assassin, B.J. Blazkowicz, to complete his father's unfinished mission. Wolfenstein II includes all of the original's iconic weapons, but with a new array of powers to maximize each weapon's potential. Wolfenstein II: The New Colossus features a deeper single-player campaign, which introduces a variety of new weapons, including a grappling hook, flame thrower and dynamic new melee moves. Furthermore, players will wield a grappling hook to combat robots and escape seemingly-impenetrable obstacles. New co-op features include the ability to drop in and out of play to kickstart a friend's progression or assist in a pinch. A brand-new multiplayer mode lets players fight in intense, fast-paced action across many different modes: Deathmatch, Team Deathmatch, SWAT, and a new Free-for-All mode, providing the definitive take on the classic horror game experience.
