When Chris appears to be dead, Wyatt discovers the horrific truth about Chris's past. My Brother the Devil DOWNLOAD HERE: HOMEFRONT is an American thriller drama film directed by Andrew Niccol and written by Niccol and Jeff Nathanson. It stars Colin Farrell, Taylor Kitsch, John Goodman, Jason Clarke and Ray Liotta. Homefront premiered at the Sundance Film Festival on January 24, 2011, and was theatrically released in the United States on February 23, 2011. It received mixed reviews from critics and failed to recoup its budget of . Plot In the near future, a corporation called CRI has placed military quarantine zones around the United States as the tension of an approaching alien invasion continues to escalate. Police state operations are now commonplace, and the United States government has become a force for tyranny. Homefront was designed to reinforce the movie's social criticism. The game takes place in a fictionalized Chicago, where the player controls a resistance fighter named Walker "Dutch" Westerly, who is accompanied by his wife Samantha. The United States has become an overbearing, paranoid society, where the government has outlawed most forms of privacy, owning people and their homes. Homefront was developed by Raven Software and published by THQ. The game was released on February 23, 2011
